Associate Jackson Dziejdzic is a litigator at Goosmann Law Firm who possesses an avid dedication to unraveling the complexities of legal disputes. Specializing in business litigation and trial law, Jackson serves a diverse clientele, including business leaders and individuals entangled in civil disputes. With a background in economics and experience clerking for the Iowa Judicial Branch, Jackson brings a unique blend of knowledge to his practice. His academic foundation, coupled with hands-on courtroom experience, equips him with invaluable insights into the intricacies of the legal system. Jackson is committed to tailoring his approach to meet the unique needs of each client. Recognizing that no two cases are alike, he adapts his strategies to align with his clients' goals and objectives. With a steadfast commitment to excellence, Jackson stands ready to navigate the legal landscape on behalf of his clients, ensuring their interests are vigorously advocated for at every turn.
